

THE WAY OF THE SHAMAN:

THE SHAMANIC JOURNEY, POWER AND HEALING

Nan Moss and David Corbin
June 19 - 20, 2010 Port Clyde, Maine

**Originated by Michael Harner, This is the Foundation for Shamanic Studies Basic Workshop,
Pre-requisite for all advanced work with the Foundation**

In this experiential workshop, you will be introduced to core shamanism, the universal basic methods of the shaman to enter non-ordinary reality for problem solving, well-being, and healing.

Particular emphasis is on the classic shamanic journey, one of the most remarkable visionary methods used by humankind to explore the hidden universe otherwise known mainly through myth and dream.

Participants are initiated into shamanic journeying, aided by drumming and movement techniques for experiencing the shamanic state of consciousness and for awakening dormant spiritual abilities and connections with Nature.

You will also learn how the journey is utilized to restore spiritual power and health, and how shamanism can be applied in contemporary daily life to help heal oneself, others, and the Planet.

**Time: Saturday & Sunday 9:30 AM - 5:30 PM
Price: \$185 (Send \$75 deposit to register.)**
